teams are rounding into shape, the players putting up a first class article in baseball which is worth patronage. The Sait Lake team meets the Occidentals at Walker's field on Saturday, afternoon, and the Murray team goes to Ogden to play with Dad Gimiin's crew. The day following the Lobsters come to Sait Lake for their first game with the local team and a good game is anticipated, the Occidentals playing the Smelter City team at Murray.

The Occidentals left ror Heber City this morning and play there this afternoon. Manager Black has signed Sam Hawkins, a clever shortstop, and he will be here in time to play Saturday.

Manager Good has given his men a hard workout every afternoon this week and they have improved wonderfully in team work. The Sait Lake team stands even with Ogden in the percentage column, both teams having lost two games and won one. Murray and the Occidentals are tied at the top of the column with two won and one lost. The results of the third series will probably make some interesting changes in the percentage column. ers putting up a first class article in

BIG FIGHT MAY GO TO RENO, NEVADA

Expected That Promoter Tex Rickard Will Make Announcement to That Effect Today.

San Francisco, June 17 .- Unless an un foreseen shift occurs in the fight situa-tion, a definite announcement that Jefis expected today from Promoter Tex Rickard, who unofficially last night made

the following statement;
"It is safe to say that the fight will take place at Reno, I am not going to waste any more time or money in Caliwaste any more time or money in Calfornia. But Jeffries and Johnson will
fight on the Fourth of July even if I
have to take them out on the desert
to hold the fight and if it breaks me."
That there is no intention upon the part
of the state authorities to recede from
their position is clearly indicated in the
latest pronouncements of the governor
and the attorney general, Gov. Gillett
says:

Says:
"I understand that many men have arranged to come to California to see Jefries and Johnson fight. To them I want to say that they need have no doubt about the situation. There will be no fight between Jeffries and Johnson in California."

ight between Jenries and Johnson in Carlifornia."

Attorney General Webb says:

There will be not fight between Jeffries and Johnson nor between Kaufman and Langford. The latter fight which is scheduled for Saturday will be stepped by force if the principals and promoters persist and make such action necessary. My intention is to file a petition today asking for a restraining order."

der, total agency to a receiving state of the control of a mammoth area at Reno. According to the care to the control of a mammoth area at Reno. According to the care for Reno Sunday morning, if the local situation has not cleared, and take personal charge of preparations there. "As everyone knows," he said, "the laws of Nevada are very explicit and in that state there is nothing to prevent a dozen fights a day taking place, as long as a regular permit is secured for each contest.

ER MORE LAURELS.

Although professional Marathon running is not as popular as it was last season, there are several big events scheduled to be held here within the next two months. The first of these will be held at Celtic park July 2. All the crack distance runners now in this country are entered, and a good race is expected. Among those entered in the event are Ljungstrom, the world's record holder for the distance; Holmer, St. Yves, Hayes, Johansen and Svanberg, the Swede This will be the first appearance of the latter in this country since last season. In 1909 Svanberg made a great showing and captured many races from the stars. At present he is in good shape and confident of duplicating his performances of last year. a dozen fights a day taking place, as long as a regular permit is secured for each contest.

"Aylesworth, a Reno man, in whom I have the greatest confidence, has wired me that the Reno people will build us an arena free of cost and provide us with a license. The lumber will come from the Truckee mills and the arena can be creeted, if necessary, in 10 days, it will not be as hig as the one we have been putting up in San Francisco, but at that it will be hig enough. It will hold about 20,000 spectators.

"I had word from noth Jeffries and Johnson that they will fight anywhere I want them to—Jeffries says, on a barge if he has to."

The San Francisco Hotelsmen's association met last night and adopted resolutions condemning the efforts to stop the fight. The resolutions stated that for several years prize fights have been permitted in California without any legal hardships and it would work a great hardship to stop the present fight on account of the large number of visitors it would draw to the city.

Jack Johnson seems to be worrying more over the attachment of his automobile by George Little, his deposed manager, than over the fight muddle. But none of his troubles is affecting his appetite. After his workout vesterday he stood on the scales and found that he had gained two pounds in the last two days, tipping the beam at 215.

The champion said he probably would do only light gymnasium work today.

Ben Lomond, Cal. June 17.—Whatever be the outcome of the tangle in which the scene of the big fight is involved, Sam Berger is prepared to take immediate action. After digesting the fulsome accounts of the situation in the San Francisco papers yesterday, Jenries' manager made arrangements to break camp at a moment's notice. He is hourly awaiting word from Tex Rickard, giving definite plans of the promoters.

Neither Berger nor Jeffries' trainers think that a shift to Nevada would harm the big fellow. They point out that Jefries has been used to the mountains all his life and that a high altitude would have no terrors for bim. Mountain climbing has always been a favorite pastime of the retired champion and frequently he has indulged in hard exercise at an elevation of 2000 feet above sea level. But despite Berger's preparations AT JEFFRIES CAMP. OUO

to move. Jeffries still clings to his belief that the fight win oe pulled off in
San Francisco.

The big fellow was as gay as a cricket
all yesterday and the camp marveled at
his good humor.

Jim Corbett has given up hope of seeing the fight in San Francisco and seems
much depressed. He says he will advise
against a postponement, as it might
prove injurious for Jeffries to break
training and resume it later.

MIDDLEWEIGHTS MATCHED.

Jack Christie and Jack Rogers, middleweights, will be the headliners for the
Monday night program at the Manhattan
club. The bout will be held in the saucer
track arens. They are scheduled to fight
six rounds. There will be four fourround houts.
Pete Scillivan, who has adopted Salt
Lake as his home with the consent of
County Attorney Job P. Lyon, who opened the prize fighting game here, returned from Butte where he fought a draw
as usual with Maurice Thompson. Sullivan is eager to get another match here
fin Salt Lake either with Cyclone Thompson, whom he has fought four times, or
Leach Cross.

CLAIMS GREAT VICTORY FOR LAW AND ORDER

New York, June 17.—Rev. Dr. John Wesley Hill, head of the organization recently formed here to cary on a crusade of prayer and agitation against the Jeffries-Johnson fight has issued a statement expressing great satisfaction over the fact that the fight has been called off so far as California is concerned. Dr. Hill says:

"The action of the governor of California in calling off the Jeffries-Johnson prize fight is a triumph for law and order for Christian civilization. Whatever state allows the fight will become a refuge for the refugees.

"Of course, now the evangelistic meetings which we planned to hold in San Francisco at the time scheduled for the fight will not take place. They had been arranged as a last resort. The law has done what we had planned for the gospel to do."

MINISTERS FIGHT TO FINISH.

Cincinnati. June 17.—Local ministers say that if the promoters of the Jeffries-Johnson fight wish to hold it in Neveda they will contest its being held there inst as hard as they contested the affair in San Francisco.

Dr. Adna W. Leonard, pastor of the Walnut Hills M. E. church, said that the ministers are busy with letters to the governor of Nevada against the fight in that state and before another week rolls around they will have started a chain of a million letters protesting against the fight.
